Mapping Oregon Tech's Management – Entrepreneurship program to the DQP

Step 1: Ranking/Weighting Outcomes

- Program Student Learning Outcomes (PSLOs)
- Outcomes emphasized across the curriculum:
    1) Problem-solving
    2) Communication
    3) Ethics
- Accreditation (IACBE) Student Learning Outcomes (SLOs) and Institutional Student Learning Outcomes (ISLOs)
- Non-business ISLOs

Step 2: Mapping Management – Entrepreneurship outcomes to DQP Areas of Learning

- For each DQP Area of Learning I identified the PSLO, SLO, and/or ISLO that corresponded to the area of learning

Step 3: Assessed categories and frequencies for each Management – Entrepreneurship outcome

- By outcome, which areas of learning did the outcome map to and how often did the outcome appear
