1. October Conference on the 25<sup>th</sup> and 26<sup>th</sup> -- Sonya and Anna Kate
  - a. Reviewed who registered; please remind others to register.
  - b. Complications related to the payments. Will problem solve around checks.
  - c. Dinner for some of the speakers on 10/24- let Anna, Lynn or Sonya if you want to join them.
  - d. There needs to be structure for the horizontal alignment sessions.
  - e. Need to be sure the discussions are meaningful for the IT/IR people. It would be good if CCs and OUS schools created a community between their IT/IR people.
2. DQP Technology
  - a. General update -- Ron and Larry
  - b. Web prototype of spider web mapping -- Mark and Kyle
    1. Sonya provided link to spider web mapping:  
<https://ws-prod-dqp-01.lanecc.edu/>
    2. Kyle reviewed the site
      - When first visit site, should see list of institutions- if any missing, let Kyle know
      - Umpqua is the only one that has data; can see course or program outcomes
    3. Move to the web based version and away from the Excel version
      - May be possible that Excel information can be uploaded into the web based system
  - c. Getting program outcomes uploaded (no update) -- Larry, Tim, Pat
  - d. Hiring of Tech specialist update -- Lynn

1. Applications released and 3 people will be interviewed.
2. Finding times that work for the interviews next week.
3. Running about 2 weeks behind original schedule.
3. Institutional work plan template -- Ron
  - a. no update, should be out next week before call
4. Institutional work and budgets (no update) -- Carol
5. Tracking in-kind contributions -- Lynn
  - a. Looking to create web form to be submitted
  - b. Start thinking about what your contribution is (registration, travel, lodging, and your time for the conference, time for you, your faculty, & your staff)
6. Survey of campuses:
  - a. How to put the work in the context of the campus and the work we are already doing around quality and outcomes
  - b. Focus on creating the big picture for how this folds into our work
  - c. Although each campus is different, also looking for the commonalities- keeping differences that are appropriate and aligning those that are appropriate.
7. Institutional survey (NILOA); Public Agenda research -- Sonya
  - a. Will have a NILOA member with us. Reminds us that one of the deliverables is doing an institutional survey.
  - b. NILOA will provide Oregon's data back to us (asking for the raw data; broken down by institution instead on in aggregate) and we can do our own analysis.
  - c. Would be good to form a group that focuses on how we do the analysis
  - d. John Immewahr will be here from Public Agenda and he will be doing some research with Lane Community College and faculty. Wants to talk with one administrator from each OUS (Karen Marrongelle or Sarah Witte) and from CC's (Mark Williams or Elizabeth Lundy). Karen and Mark said yes to the interview.
8. Advisory Committee -- Carol
  - a. No movement on this yet
  - b. Please send names of national people who will keep the Oregon DQP visible nationally so we can send out invitations to join the Advisory Committee
9. WICHE Update (no update) -- Karen
10. AACU Quality Collaborative -- Karen, Elizabeth, Gary
  - a. Will map back to other quality states
  - b. Peggy Maki will talk about this at the conference and introduce metrics
  - c. May want to have a conversation at the front end to adopt 1 or more value rubrics
11. AACU conference proposal accepted -- Sonya
12. LONA Report --Karen
  - a. Creating a realistic breakout session for faculty
13. Next Meetings:
  - a. Core Group: October 17<sup>th</sup>, 2:00 to 3:30

- b. IT meeting: October 24<sup>th</sup>, 2:00 to 2:50.
- c. State-wide conference: Oct 25<sup>th</sup> and 26<sup>th</sup> at Lane
