|----------------------------|---|------------------------------|
| <b>12:00-12:15 p.m.</b>    | <b>Welcome and Introductions</b>  | Carol Schaafsma, Facilitator |
| <b>12:15 to 12:45 p.m.</b> | <b>How are Others Using the DQP?</b><br>Marcus Kolb, Strategy Officer, Lumina Foundation  |                              |
|                            | Marcus Kolb will give an update on the focus and progress of DQP projects sponsored by the Lumina Foundation. He will highlight the success and challenges encountered by those projects in implementing and applying the DQP framework to enhance student learning and improve institutional practice. |                              |
| <b>12:45 to 1:15 p.m.</b>  | <b>Using the DQP for Program Review</b><br>Carol Schaafsma, Facilitator   |                              |
|                            | Many institutions are planning to use the DQP in their regular program review processes. We will hear from a few programs that have started to implement this, and share ideas to try and lessons learned.  |                              |
| <b>1:15 to 1:45 p.m.</b>   | <b>Preparing to Map</b><br>Ron Baker, Facilitator   |                              |
|                            | One of the most difficult aspects of spider web mapping is the assignment of weighting factors to learning outcomes. This session will highlight strategies and methods used by institutions to produce spider maps generated from meaningful data.   |                              |
| <b>1:45 to 2:15 p.m.</b>   | <b>Goals for Year Two of the Oregon DQP</b><br>Carol Schaafsma and Ron Baker  |                              |
|                            | We are one year into this three year project. How are we doing in accomplishing our deliverables? What is in store for next year? We encourage all institutions to participate in this session as we discuss how the year two goals overlap with the work you are already doing at your institutions.   |                              |
| <b>2:15 to 2:30 p.m.</b>   | <b>Wrap-up and Next Step</b>  | Ron Baker, Facilitator       |
