	<u>Topic</u>	<u>Lead</u>
1	Welcome and Introductions	Carol
2	Summary of September Information forum (Information) <ul style="list-style-type: none"> • 6 CC and 6 OUS schools attended • Questions about horizontal alignment and year 2 work 	Carol
3	Closure on Year One Disbursements to Institutions (Information) <ul style="list-style-type: none"> • Chemeketa still needs to complete the agreement; they remain unpaid. No other institutions are eligible for year 1 payments. • 16 of 24 institutions received payments. The undisbursed amounts can roll into year 2. 	Lynn
4	Disbursement Plan for Year 2, <i>handout</i> , (Discussion and Decision) <ul style="list-style-type: none"> • Carol sent out a chart for year 2 disbursements and reviewed it. • May want to allocate more to horizontal alignment than for vertical integration if that is the emphasis for the Fall Conference or balance the emphasis between them in the Fall Conference and keep the allocation relatively equal. • The money is not the emphasis but more concerned about someone providing the infrastructure to the institutions; maybe templates or conversation guides at the Fall Conference. Focus on how to engage and provide support when institutions move outside themselves. • Maybe the allocation needs to focus on providing ongoing support to the institutions as they engage in the work. 	Carol

Kent, Ron,
Carol

- The representation (20 institutions) and comments were really good; a lot of common ground.
- There will be a summary of the comments but the themes were focusing on student success, how to use existing strengths, and identifying what we consider to be quality education to reach 40/40/20.
- Interest in integrating the existing initiatives into the plan with the focus being on how the initiatives serve Oregon's needs instead of the opposite.
- Also talked about equity, preparation for life and education when come to college; transition from K-12 to colleges and universities and eliminate barriers once there.
- Need to be on and off ramps for entering and leaving institutions and transferring between institutions.
- Developed a good foundation for making a plan.
- Follow-up conversation in January.
