	<u>Topic</u>	<u>Lead</u>
1	Welcome and Introductions	Carol
2	Summary of October 25 conference, 3 <i>handouts</i> , (Information) Review of DQP feedback and evaluations <ul style="list-style-type: none"> <li>14 Institutions (4 OUS, 10 CC) represented at the conference; 32 participants</li> <li>Compared SLOs from some institutions with DQP Outcomes (See notes sent out)</li> <li>Five questions at five tables for discussion re: alignment of curriculum (No notes sent out)</li> <li>Summary: DQP interesting to talk about once but in the long term it is not what will guide alignment in Oregon. They want to talk about alignment but not the DQP. The DQP is viewed as being organized so differently and they just want to focus on alignment using the existing structure instead of starting over with a new framework. It may be that we can do the alignment in the current framework and then migrate toward DQP because they are not necessarily far apart. Maybe build off LEAP and WICHE Passport.</li> <li>Next Steps: <ul style="list-style-type: none"> <li>At end of Oregon-ized Summit have some actions steps that are achievable and worthwhile.</li> <li>May just need a commitment from institutions to be involved in this work at the Information Group meeting. Carol will ask how the college's feel about aligning their work with LEAP and seeing if the Summit work would align with their work.</li> </ul> </li> </ul>	Carol and participants
3	Horizontal Alignment – Where do we go from here? (Discussion) See above	Carol
4	Disbursement Plan for Year 2, <i>handout</i> , (Discussion and Decision) <ul style="list-style-type: none"> <li>Maybe the horizontal alignment and vertical integration are not different stages of work but rather both happen over the next 2 years.</li> <li>Reduced the number of institutions participating.</li> <li>Make payment based on commitment to do the work in the future and the travel</li> </ul>	Carol
