

DQP IT/IR Group Conference Call
Regular Meeting

**Degree
Qualifications
Profile** in Oregon

February, 27 2013, 3:00 p.m. (PST)

Audio Conference Line: (877) 581-9247; Participant Code: 738015

Attendance: Lynn, Matt, Ron, Connie, Larry, Tim

The group discussed requests that come in for technical assistance, website enhancements, etc. Is it okay to process requests as we do now and workshop them via email, etc. as needed? Matt suggested that we continue in this manner for now since the number of requests is small. Should more requests start to come in we may revisit this process later.

The group discussed potential new members (particularly with Mark's leaving) and that we need some tech-background expertise. Connie suggested that we invite college individuals with that background at the next convening of participating colleges. It is likely that Martha Joyce from Umpqua CC will join as well.

Matt shared that if we wait a couple months to migrate the domain name it will cost about \$200 less. Ron suggested it makes sense to move it to the new domain name in order to keep momentum going. Tim asked if it will involve a secure certificate. Matt said it will. The old domain would redirect to the new domain. The group agreed to go ahead and migrate to the new domain.
